introduction: 12 bars

The sky is blue. / The forest green. / The sun goes down. / The air is free.

Too far away. / Too fast to stay.

A bird so white / just on the fly. / Our hearts so bright. / My mind. / Pass by.

Too far away. / Too fast to stay.

interlude: bar 36 to 49

Can hear the noise. / The engines run. / It`s quite now. / May think you`re gone.

Too far away. / Too fast to stay.

Right to the south / into the glance. / Will miss you much. / I had no chance.

Too far away. / Too fast to stay.

interlude: bar 73 to 84

Brought back the star. / Thank God for peace. / I`m on my own. / Can`t stand on this.

Too far away. / Too fast to stay.

bar 97: The bird is near.

bar 99: The bird is here.

bar 101: The bird of fear.

bar 103: The bird of tears.

interlude: 4 bars

bar 108: The bird is on the square.
